

Stephen Owens

Bay City Council Candidate

Father. Veteran. Teacher. Neighbor.

I'm Steve - a father of three, military veteran, and Oregon history teacher. Bay City has been home since 2017. I'm running to listen, serve, and preserve what makes our community special.

Listen first. Be transparent. Stay accountable.

My priorities for Bay City

Reliable infrastructure

Maintain and improve our water systems, roads, sidewalks, and public facilities.

Responsible growth

Expand middle housing opportunities without requiring taxpayers to subsidize private development.

Local businesses

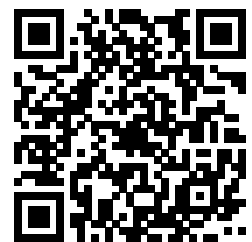

Improve public spaces and infrastructure that support tourism and local opportunity.

Safe public spaces

Keep parks, sidewalks, and shared spaces safe for families.

Let's talk about Bay City.
